Dear WVCHIP Member or Guardian:

This letter to tell is to you about upcoming changes to West Virginia Children's Health Insurance Program (WVCHIP) benefits.

Starting **July 1, 2023**, WVCHIP is changing its covered services so WVCHIP and Medicaid members in Mountain Health Trust (MHT) program will have the same benefits. WVCHIP members will still have all the same services you receive today. A list of benefits is attached.

Your or your child's health plan and cost sharing (copays and premiums) will not change.

If your address or phone number has recently changed, call 1-877-716-1212 or go to www.wvpath.wv.gov.

You can find more information and a list of Frequently Asked Questions at this website: <https://chip.wv.gov/Pages/default.aspx>.

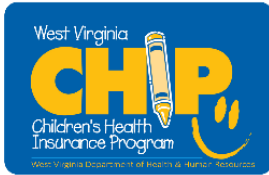

Who can I contact if I have more questions?

You can call your health plan's member services toll-free line or the WVCHIP helpline.
