**Re:** Reimbursement Increase for Hospice Services

---

Effective for services provided on or after July 1, 2018, PEIA will reimburse hospice services billed under Revenue Codes 651, 652, 655, and 656, according to the allowances listed below.

Revenue Code	Description	PEIA Allowance
651	Routine Home Care (per day) All Inclusive - Meds & IV included	\$188.97
652	Continuous Home Care (per hour)	\$ 39.88
655	Inpatient Respite Care	\$169.36
656	General Inpatient Care (non-respite)	\$728.83

In accordance with Medicare guidelines, PEIA considers these four hospice codes to be all-inclusive of medically necessary drugs, supplies and equipment related to the management of the patient's terminal illness.
